ABOUT THE TUTOR

Kate Semple is a full time professional sculptor based in a rurally situated industrial workshop in Somerset.

Combining an art school background with 15 years experience working in the stone industry and 7 years in education, Kate takes a skilled artisan approach to teaching all aspects of stone carving and sculpture.

Kate's style of teaching is methodical, using time honoured skills and techniques in order to guarantee each student achieves successful results.

Kate is CRB checked and holds full Public Liability Insurance.

A reference library of sculpture books and other source material is made available to students and a small range of sculpture books and tools will be available for sale.
